

Each District will have a 'bespoke' course title eg:

Maths Core Provision – Winchester Primary Programme 19/20

Delegates need to use the key word search '**Core Maths Programme**' and locate the **correct district programme**. Select the course title to open details.

The programme content will remain 'grey' until you have enrolled on the programme.

There are two content elements:
Maths subject leader meetings
Maths primary Conference

The screenshot shows a course page with the following elements and annotations:

- Header:** Maths Core Provision - Winchester Primary Programme (HCC_CS_HTLC_MATH_0008_PRG)
- Buttons:** 'Enroll' and 'Assign to others' buttons are present. A yellow box 'Click here to self-enroll' points to the 'Enroll' button. Another yellow box 'Click here to assign to others' points to the 'Assign to others' button.
- Text:** 'Open-ended', 'Need Support? help.courses@hants.gov.uk', 'The Mathematics Core Provision offer for Hampshire schools provides opportunities for Maths leaders to work collaboratively through a series of subject network meetings and an annual conference. Content is shaped to reflect national and local priorities ensuring the programme is relevant to current guidance.', 'Delegates will: ...', 'More', and '* Required for Program Completion'.
- Section Header:** Subject Leader Meetings (with a dropdown arrow).
- Content Element:** Maths Subject Leader Meetings - Winchester - Thornden School. The text below this header is greyed out.

Once you have enrolled the programme content will become available.

You will now need to register on **three** separate subject leader meetings and **one** primary conference

The screenshot shows a web interface with two main sections. The top section is titled 'Subject Leader Meetings' and contains a card for 'Maths Subject Leader Meetings - Winchester - Thornden School'. This card includes a 'REGISTER NOW' button with a dropdown arrow, a description of the meetings, and a bulleted list of benefits. The bottom section is titled 'Conference' and contains a card for 'Maths Primary Conference 2019 (W&E)'. This card also includes a 'REGISTER NOW' button with a dropdown arrow, a description of the event, and a bulleted list of benefits. A yellow box with the text 'Click here to register' has two arrows pointing to the 'REGISTER NOW' buttons in both sections.

Subject Leader Meetings

Maths Subject Leader Meetings - Winchester - Thornden School REGISTER NOW

These half-day meetings form part of the Mathematics Primary Core Provision for the Autumn 2019 and Spring 2020 and are for mathematics managers or school leaders. Schools are welcome to send a substitute teacher if delegates are absent.

These subject leader meetings form part of the Primary Mathematics Core Provision and cannot be booked separately. The meetings enable delegates to:

- Keep up to date with national and local updates
- Deepen professional knowledge of teaching and learning skills and their significance to Mathematics education

More

Conference

Maths Primary Conference 2019 (W&E) REGISTER NOW

A half day professional development event with inspiring external key note speakers and workshops that encompass national developments and current thinking around Mathematics.

Delegates will

- Be motivated and inspired by innovative talks and workshops
- Explore a range of practical strategies to use in the classroom
- Reflect on their current practice as teachers and leaders of mathematics
