

English and Maths Core Provision Programmes 2020/21 now available for booking on the Learning Zone

Summary

Detail

Our Primary English and Maths Core Provision offers for Hampshire schools provide opportunities for English and Maths leaders to work collaboratively through a series of subject network meetings and an annual conference. Content is shaped to reflect national and local priorities ensuring our subject leaders are best placed to reflect on current guidance and best practice.

In 2020-21 each Core Provision offer includes:

- a half day headteacher/subject leader briefing (to be delivered virtually)
- four half day subject leader meetings (Please note: Maths subject leader meetings in June will be delivered virtually)
- a full day Primary English conference (for subject leaders) / a half day mathematics conference for mathematics managers and headteachers.

Our programmes

This year we are offering 16 district based English programmes and 19 district based maths programmes. An overview of the different programmes with details of session dates and times is provided in the attached **English and Maths Core Provision Overview 2020-21** document. Please check this carefully before booking to identify the programme relevant to your school's geographical area.

Cost

The cost of each programme for 2020-21, which includes all of the elements above are:

Sub: 535 / **SLA:** 320 / **Full:** 642
