

## Fact families

Ask children to work in pairs and give each pair:

- a copy of the attached resource sheet
- a set of the addition, subtraction and equals sign cards (or ask the children to quickly make their own)
- any practical apparatus they might need to complete the task.

Ask them to place one card in between each of the numbers to make all of the number sentences correct.

$+$	$+$	$+$	$+$
$-$	$-$	$-$	$-$
