Maths KS1

Titch and Ted do maths: Fractions

Titch and Ted - Introduction to Fractions (pt 1/6)

Titch teaches her uncle Ted that two halves can make a whole.

Titch and Ted Learn About Halves (pt 2/6)

Titch must use her knowledge of halves to make the perfect shelves for Mr Pie.

Titch and Ted Learn About Quarters (pt 3/6)

Titch teaches Ted about halves and quarters in Mr Pie's garden.

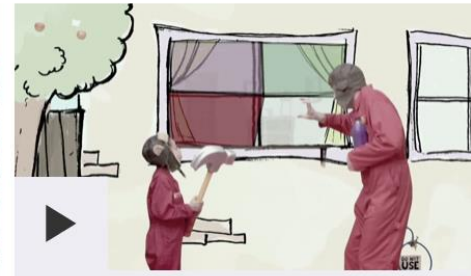

Titch and Ted Learn About Sixths (pt 4/6)

Titch and Ted use their knowledge of fractions to pick apples for a pie.

Titch and Ted Learn More About Quarters (pt 5/6)

Titch and Ted use their knowledge of fractions to find sixths of 12 and make a table.

Titch and Ted - Fractions Summary (pt 6/6)

Titch and Ted learn all about fractions while trying to raise money to go to the fun fair.
